

## Satellite High School Program 2011 Application

Thursdays, 4:30–6:30 PM | Sept 15, 2011–Jan 12, 2012  
(no sessions Dec 22, 29)

Explore life and art through the lens of the works of art in the Milwaukee Art Museum. In this thematic investigation of art, we will grapple with emotion, myth, power, politics, love, fashion, and more in unconventional and exciting ways. This is not your usual art or art history class! You will also learn about arts careers, create a final project that responds to a specific work of art in the Museum, and present your response in a final celebration. MCTS bus tickets and snacks will be provided to accepted students. All sessions take place at the Milwaukee Art Museum.
