● SATELLITE HIGH SCHOOL PROGRAM 2013-14 ●

Oct 3, 2013–May 8, 2014 | Weekly on Thursdays, 4:30–7 PM
(23 total sessions, with holiday breaks)

Make a difference through the arts. In this program, you'll join a group of teens passionate about art to make an impact on the Museum and our community. We'll discover works of art in-depth and connect them to our lives today. We'll go behind the scenes and meet Museum staff; you'll learn about arts careers and develop your own resume. You'll share your excitement for art history with elementary school students. For your final project, you'll virtually connect a work of art to Milwaukee using iPad minis and create a video for the MAM YouTube page.

- **Free program**
- Sessions take place at the Milwaukee Art Museum once a week on Thursdays
- **Dinner and bus tickets or parking passes** are provided for accepted students
- Each student will use an iPad mini device while at the Museum for activities and projects
