

★ Art Xpress Internship Program ★
Summer 2013 Session | Application
 July 23–August 9, 2013 | Tues–Fri, 10:30 AM–2:00 PM

During the Art Xpress program, teens will use their responses to the work from 30 Americans as a catalyst to explore their own urban identities. The program will give them the chance to visually contextualize their voices through collaboration with each other, with the city-scape, and through collage and printmaking-based techniques. The final project will result in a mural that will be displayed on a Milwaukee County Bus, making it a public work of art.

This opportunity is a **paid internship program** that provides lunch and MCTS bus tickets (transportation) to accepted students. All sessions take place at the Milwaukee Art Museum and at Redline. You do not need to be an artist to participate in this program—you simply need to have an interest in the arts and our community.
