

MILWAUKEE ART MUSEUM

● SATELLITE HIGH SCHOOL PROGRAM FALL 2016 ●

Collaboration, Teen Voices, Docent Tours, City-Wide Events!

What does it mean for a museum to represent teen voices? **In this program, you'll join a group of teens passionate about leadership and art to make an impact on the Museum and our community.** We'll learn about works of art in-depth and connect them to our lives today, by creating and leading tours for teens, these tours will debut at our city-wide "finale" event in December! We'll go behind the scenes and meet Museum staff to learn about arts careers and develop resumes. We'll learn about teaching art to elementary school students, by leading children through the new exhibit, "Haunted Screens."
