

★ArtXpress Program Application ★
Summer 2017 Session
 Tues–Fri, July 11–28, 2017 | 10:30 AM–2:00 PM

During the Teen ArtXpress program, we will create a mural positively addressing an issue in the city of Milwaukee, inspired by works of art at the Milwaukee Art Museum, by working closely with practicing artists and diverse teens from throughout the city. We will respond to *Rashid Johnson: Hail We Now Sing Joy*, and the artwork in that show will act as catalysts to explore your own experiences visually through collaboration and various art making projects. We will also mentor elementary school students from Milwaukee Public Schools, guiding them through the show and creating art with them. The final project will result in a mural displayed on a Milwaukee County Bus, as a public work of art.

This opportunity is a **paid internship program** that provides lunch and MCTS bus tickets (transportation) to accepted students. All sessions take place at the Milwaukee Art Museum and RedLine Milwaukee. You do not need to be an artist to participate in this program—you simply need to have an interest in the arts and our community.
