- No flash photography
- Silence phones

Works of art are loaned for exhibitions, and their location within the Museum itself often changes. Works also require periodic cleaning and rest from light exposure.

the collection

Nearly 30,000 works from antiquity to the present comprise the far-reaching Collection at the Milwaukee Art Museum with its more than forty galleries. The Museum holds some of the nation's best artwork, including one of the largest collections of works by Georgia O'Keeffe.
