

MILWAUKEE ART MUSEUM

I'm a SCHOOL CHAPERONE! ***What do I do?***

By **modeling good Museum Manners** to the students in your group, you will help everyone have a great visit to the Museum!

ENCOURAGE YOUR STUDENTS TO:

- **Stay with the group** so no one gets lost.
- **Follow Museum Manners!**
 - Do not touch works of art
 - Throw away food, water, and gum before entering the galleries
 - Use pencils only
 - Turn off the flash on your cameras and cell phones
 - Use inside voices
- **Avoid side conversations** so your students can hear their docent or teacher.
- **Attend to student disruptions.** If necessary, remove student(s) from the group and wait at the School Group Entrance until after the tour.

We greatly appreciate your help to create a great Museum experience today for your school!
