

## MILWAUKEE ART MUSEUM

### School & Teacher Programs

#### Wisconsin Standards

All of the Milwaukee Art Museum's school tours and programs meet and/or support the following Wisconsin Standards. Some tours or programs meet additional standards; please contact [teachers@mam.org](mailto:teachers@mam.org) for further information. Please also see the Milwaukee Arts Education Directory at <http://bit.ly/ctPZyT> for Milwaukee Public School Learning Targets for specific programs.

#### Wisconsin Model Academic Standards for Art & Design Education<sup>1</sup>

- **Content Standard A:** Students will know and remember information and ideas about the art and design around them and throughout the world.
- **Content Standard B:** Students will understand the value and significance of the visual arts, media and design in relation to history, citizenship, the environment, and social development.
- **Content Standard D:** Students will apply their knowledge of people, places, ideas, and language of art and design to their daily lives.
- **Content Standard G:** Students will interpret visual experiences, such as artwork, designed objects, architecture, movies, television, and multimedia images, using a range of subject matter, symbols, and ideas.
- **Content Standard H:** Students will develop perception, visual discrimination, and media literacy skills to become visually educated people.
- **Content Standard I:** Students will use their senses and emotions through art and design to develop their minds and to improve social relationships.
- **Content Standard J:** Students will reflect upon the nature of art and design and meaning in art and culture.
- **Content Standard K:** Students will make connections among the arts, other disciplines, other cultures, and the world of work.
- **Content Standard L:** Students will use their imaginations and creativity to develop multiple solutions to problems, expand their minds, and create ideas for original works of art and design.

#### Wisconsin Model Academic Standards for Social Studies<sup>2</sup>

- Support **Content Standard B.1** (all grades) by using art as a primary source for understanding the past.

#### Common Core State Standards for English Language Arts<sup>3</sup>

- Support **Speaking and Listening Standards 1–4** (all grades).
- Provide real-world opportunities for applications of **Language Standards** (all grades).
